A Little White Shadow Mary Wesley 2006-03-04 The sibilant art of book pleads and grieffulHandle Peaceful (Eng).- Adam Thirlwell 2012 Taking place in both London and Egypt, the author intertwines the stories of a group of interconnected characters in the middle of the 1980s, and uses the diaries of a young woman named Natalie who is on a quest to unravel the mystery of her family’s past. Natalie, who is a nurse at the Inn at Lake Devine, a hotel that is said to be haunted, becomes obsessed with the idea of discovering the truth about the hotel and the family that owns it. As she delves deeper into the hotel’s history, Natalie uncovers a dark and troubling past that has left a lasting impact on the hotel and its guests. The Inn at Lake Devine will enchant readers with its atmospheric setting and the captivating story of a woman who sets out to uncover the truth about the place she never knew existed.

The Unfortunates Jonathan Safran Foer 2001 A collection of short stories that explore the complex relationship of materiality to virtuality, and of the analog to the digital. The stories in The Unfortunates range from the fantastical to the mundane, each one exploring the ways in which the human body and the digital realm intersect. Foer’s writing is both disorienting and captivating, as he takes readers on a journey through the myriad possibilities of the modern age. The Unfortunates is a powerful meditation on the nature of identity, the role of technology, and the enduring power of the human experience.

The Lover’s Dictionary David Sedaris 2004 In his latest collection, Sedaris offers a series of playful, irreverent, and often hilarious essays that explore the language of love. The Lover’s Dictionary is a celebration of the power of words to capture the essence of emotion and the complexity of relationships. From the heartache of unrequited love to the joy of finding true love, Sedaris’s essays are a testament to the enduring power of language and its ability to convey the full range of human experience. The Lover’s Dictionary is a must-read for anyone who cherish the language of love.

The Midwife of Venice Rachel Crooks 2009 In this historical novel, Crooks tells the story of a midwife in 17th-century Venice who must confront the challenges of her profession and her own inner demons in order to survive. The Midwife of Venice is a vivid and compelling exploration of the political nature of cosmopolitanism in a time of great upheaval. Crooks’s writing is both lyrical and powerful, as she brings to life the world of Venice in the 17th century and the struggles of those who navigated it.

The Unbearable Lightness of Being Milan Kundera 1984 This novel explores the theme of existentialism and its impact on modern life. The story follows a group of young Czechs who are attempting to find their place in a world that is rapidly changing. Set against the backdrop of the Soviet Union and its influence on Eastern Europe, The Unbearable Lightness of Being is a powerful meditation on the nature of existence and the search for meaning in a world that is often confusing and chaotic.

Town of Codes Jonathan Safran Foer 2009 A masterwork of storytelling, this novel explores the lives of people who are searching for meaning in a world that is often chaotic and uncertain. Foer’s writing is both disorienting and captivating, as he takes readers on a journey through the myriad possibilities of the modern age. Town of Codes is a powerful meditation on the nature of identity, the role of technology, and the enduring power of the human experience.

Apollo’s Angels David Sedaris 2009 In his latest collection, Sedaris offers a series of playful, irreverent, and often hilarious essays that explore the language of love. The Lover’s Dictionary is a celebration of the power of words to capture the essence of emotion and the complexity of relationships. From the heartache of unrequited love to the joy of finding true love, Sedaris’s essays are a testament to the enduring power of language and its ability to convey the full range of human experience.
